MARIAN HIGH SCHOOL

We've Only Just Begun . . .
Before the rising sun we fly
So many roads to choose
We start out walking and learn to run
And when the evening comes we smile
So much of life ahead
We'll find a place where there's room to grow
And yes, We've just begun
Sharing horizons that are new to us
Watching the signs along the way
Talking it over just the two of us
Working together day to day
We've only just begun.

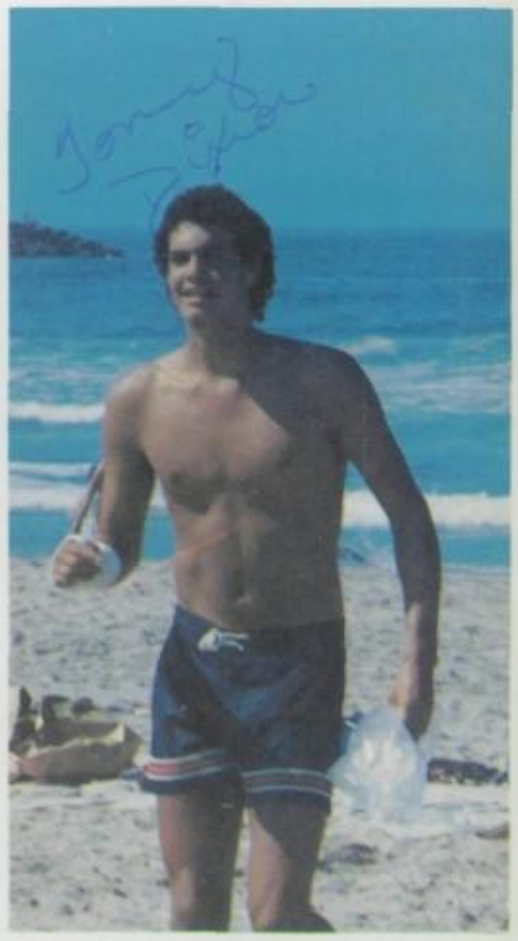
SPIRIT DAY . . .



Spirit Day this year was a great success. For the first time the whole school went to the same place, beautiful Mission Beach. Most students participated vigorously in the various activities of the day: sports, sun bathing, and eating!

Spirit Day was a bright beginning for new and old students alike, helping to renew the good ole Marian Spirit.

HOMECOMING CANDIDATES

JUNIOR CANDIDATES

Bernadette Balestrieri

This year we began a new tradition here at Marian of including underclass princesses in the Homecoming festivities. During Spirit Week the students elected semi-finalists for these class princesses, Big Man on Campus, and the Homecoming Court. Mr. Kostelnik introduced these candidates at a lunchtime assembly and voting took place afterwards to select the most spirited students to represent each class. The BMOC candidates (above) are Larry Nelson, Frank Orlett, Steve Clarke, Dale Mullins, Mark Alvarado, Lonnie Breaux, and Paul Valliere. Not shown are Mike Owens, Bobby Davies, and John Gabbard. The semi-finalists for the Homecoming Court (below) are Julie Dobyns, Rose Avalos, Theresa Cruz, Gina Ringe, Emily Carreon, Claudia Chavez, Dolores Chin, Kathleen Williams, and Karen Best. Marian Texler is not pictured. The underclass finalists are at right.

At Marian the outstanding senior guy of the year is honored with the title **Big Man On Campus.** This year's award went to a remarkable athlete, an acknowledged student leader, a guy with a tremendous personality: **Larry Nelson.** Here he gives his humble thanks to the student body who elected him.

BEGINNINGS OF OUR SPIRIT

HOMECOMING '79

This year's Homecoming was filled with emotion and suspense. The tension built until this year's Queen, Miss Theresa Cruz, was crowned by last year's Queen, Maria Villalobos. Escorted by their fathers, the court consisted of princesses Kathleen Williams, Rose Avalos, Claudia Chavez, and Gina Ringe.

Homecoming '79 was a great success and enjoyed by all who attended. Special thanks and credit goes to the Junior Class, who spent many hours planning the halftime activities.

FOREVER SHINES

HOMECOMING DANCE

This year's Homecoming Dance was held at Mission Valley's Town and Country Hotel. Dinner was served before the dance in the California Room, providing a beautiful atmosphere for a beautiful, fun-filled evening. Music was provided by Fantasy.

Mini-Courses

This year's mini-courses were bigger and better than ever. For two weeks in January, students and faculty participated in a multitude of educational, athletic, and *fun* activities. Skiing, a trip to Yosemite, San Diego Hot Spots, disco Dancing, Jazz Dancing, Scuba Diving, an East Coast tour, and a canoe trip down the Colorado River were but a few of the many adventures to choose from. New friendships, new skills, and the fond memories stemming from these unique opportunities are still with us.

CARNIVAL — HAD JUST BEGUN

Because our last yearbook deadline was as early as March, it was impossible to photograph the production of *Carnival*. Under the direction of Ms. Barbara Koenig, the cast includes, Cora Goyette, Michelle Goyette, Alicia Irving, Kathy Hoban, Jaime Ramos, Barbara Connor, John Frey, Bridgette Helmer, Amparo Moreno, Bill McKenna, Dan Little, Patti Kozak, Adele Arellano, and Jeff Meacham. Julie Dobyns, Bernadette Balestrieri, and Rose Avalos are not pictured. In charge of the musical side of the production is Ms. Bruce. The members of the cast have put in many hard hours of work and practice and expect this year's production to be a great success.

Jaime Ramos as Joquot, stops a fight between Marco (John Frey) and Paul (Jeff Meacham).

Playing their roles as carnival characters, members of the chorus played harem girls, clowns, jugglers, gymnasts, ballerinas, Siamese twins, vendors, and even a Hungarian snake charmer.

The two leading roles this year went to Alicia Irving as Lily and Jeff Meacham as Paul.

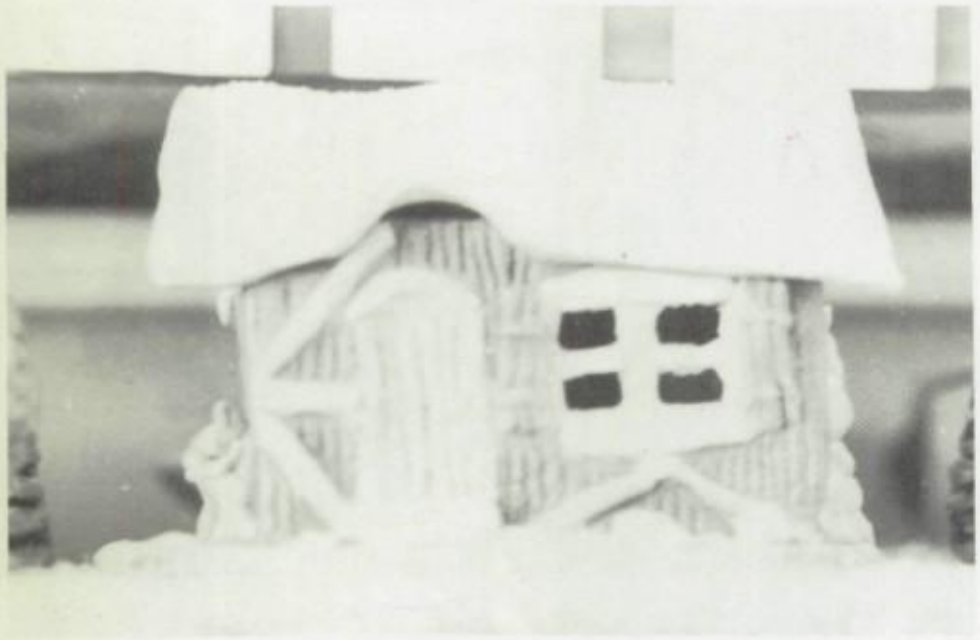
Beginning of a Masterpiece

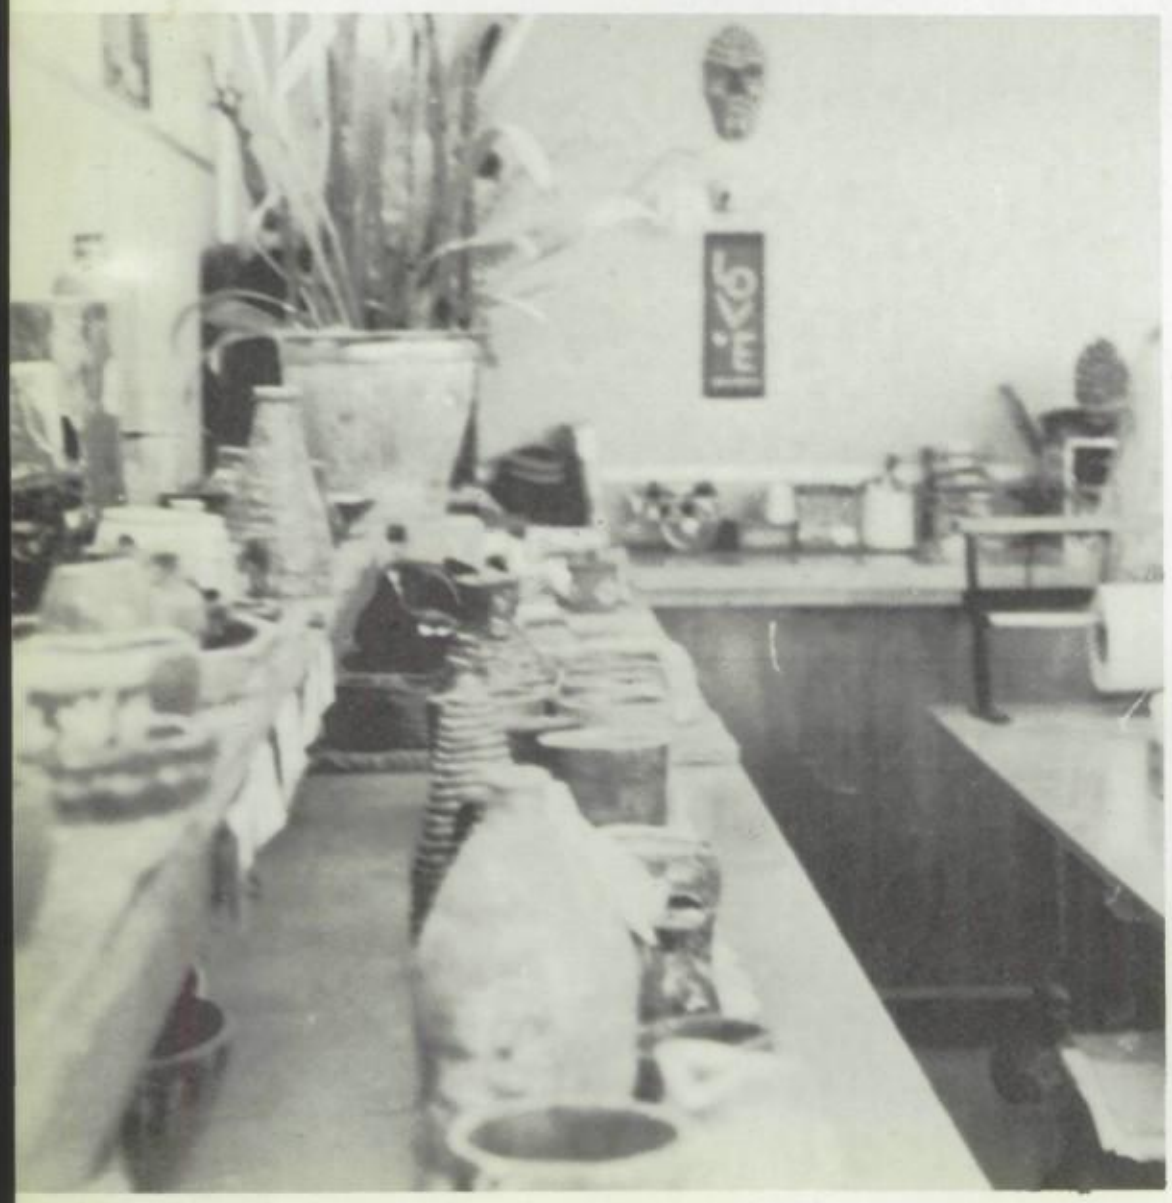
Many people don't realize that right at Marian High, we have our own budding Da Vinci's and Rembrants. Every day in Sr. Vivian's classroom, students are busy at work creating art of some kind or another. Sr. Vivian, Head of the Art Department, teaches such things as pottery, sewing, sketching and drawing.



One example of the many things that can be made with clay.

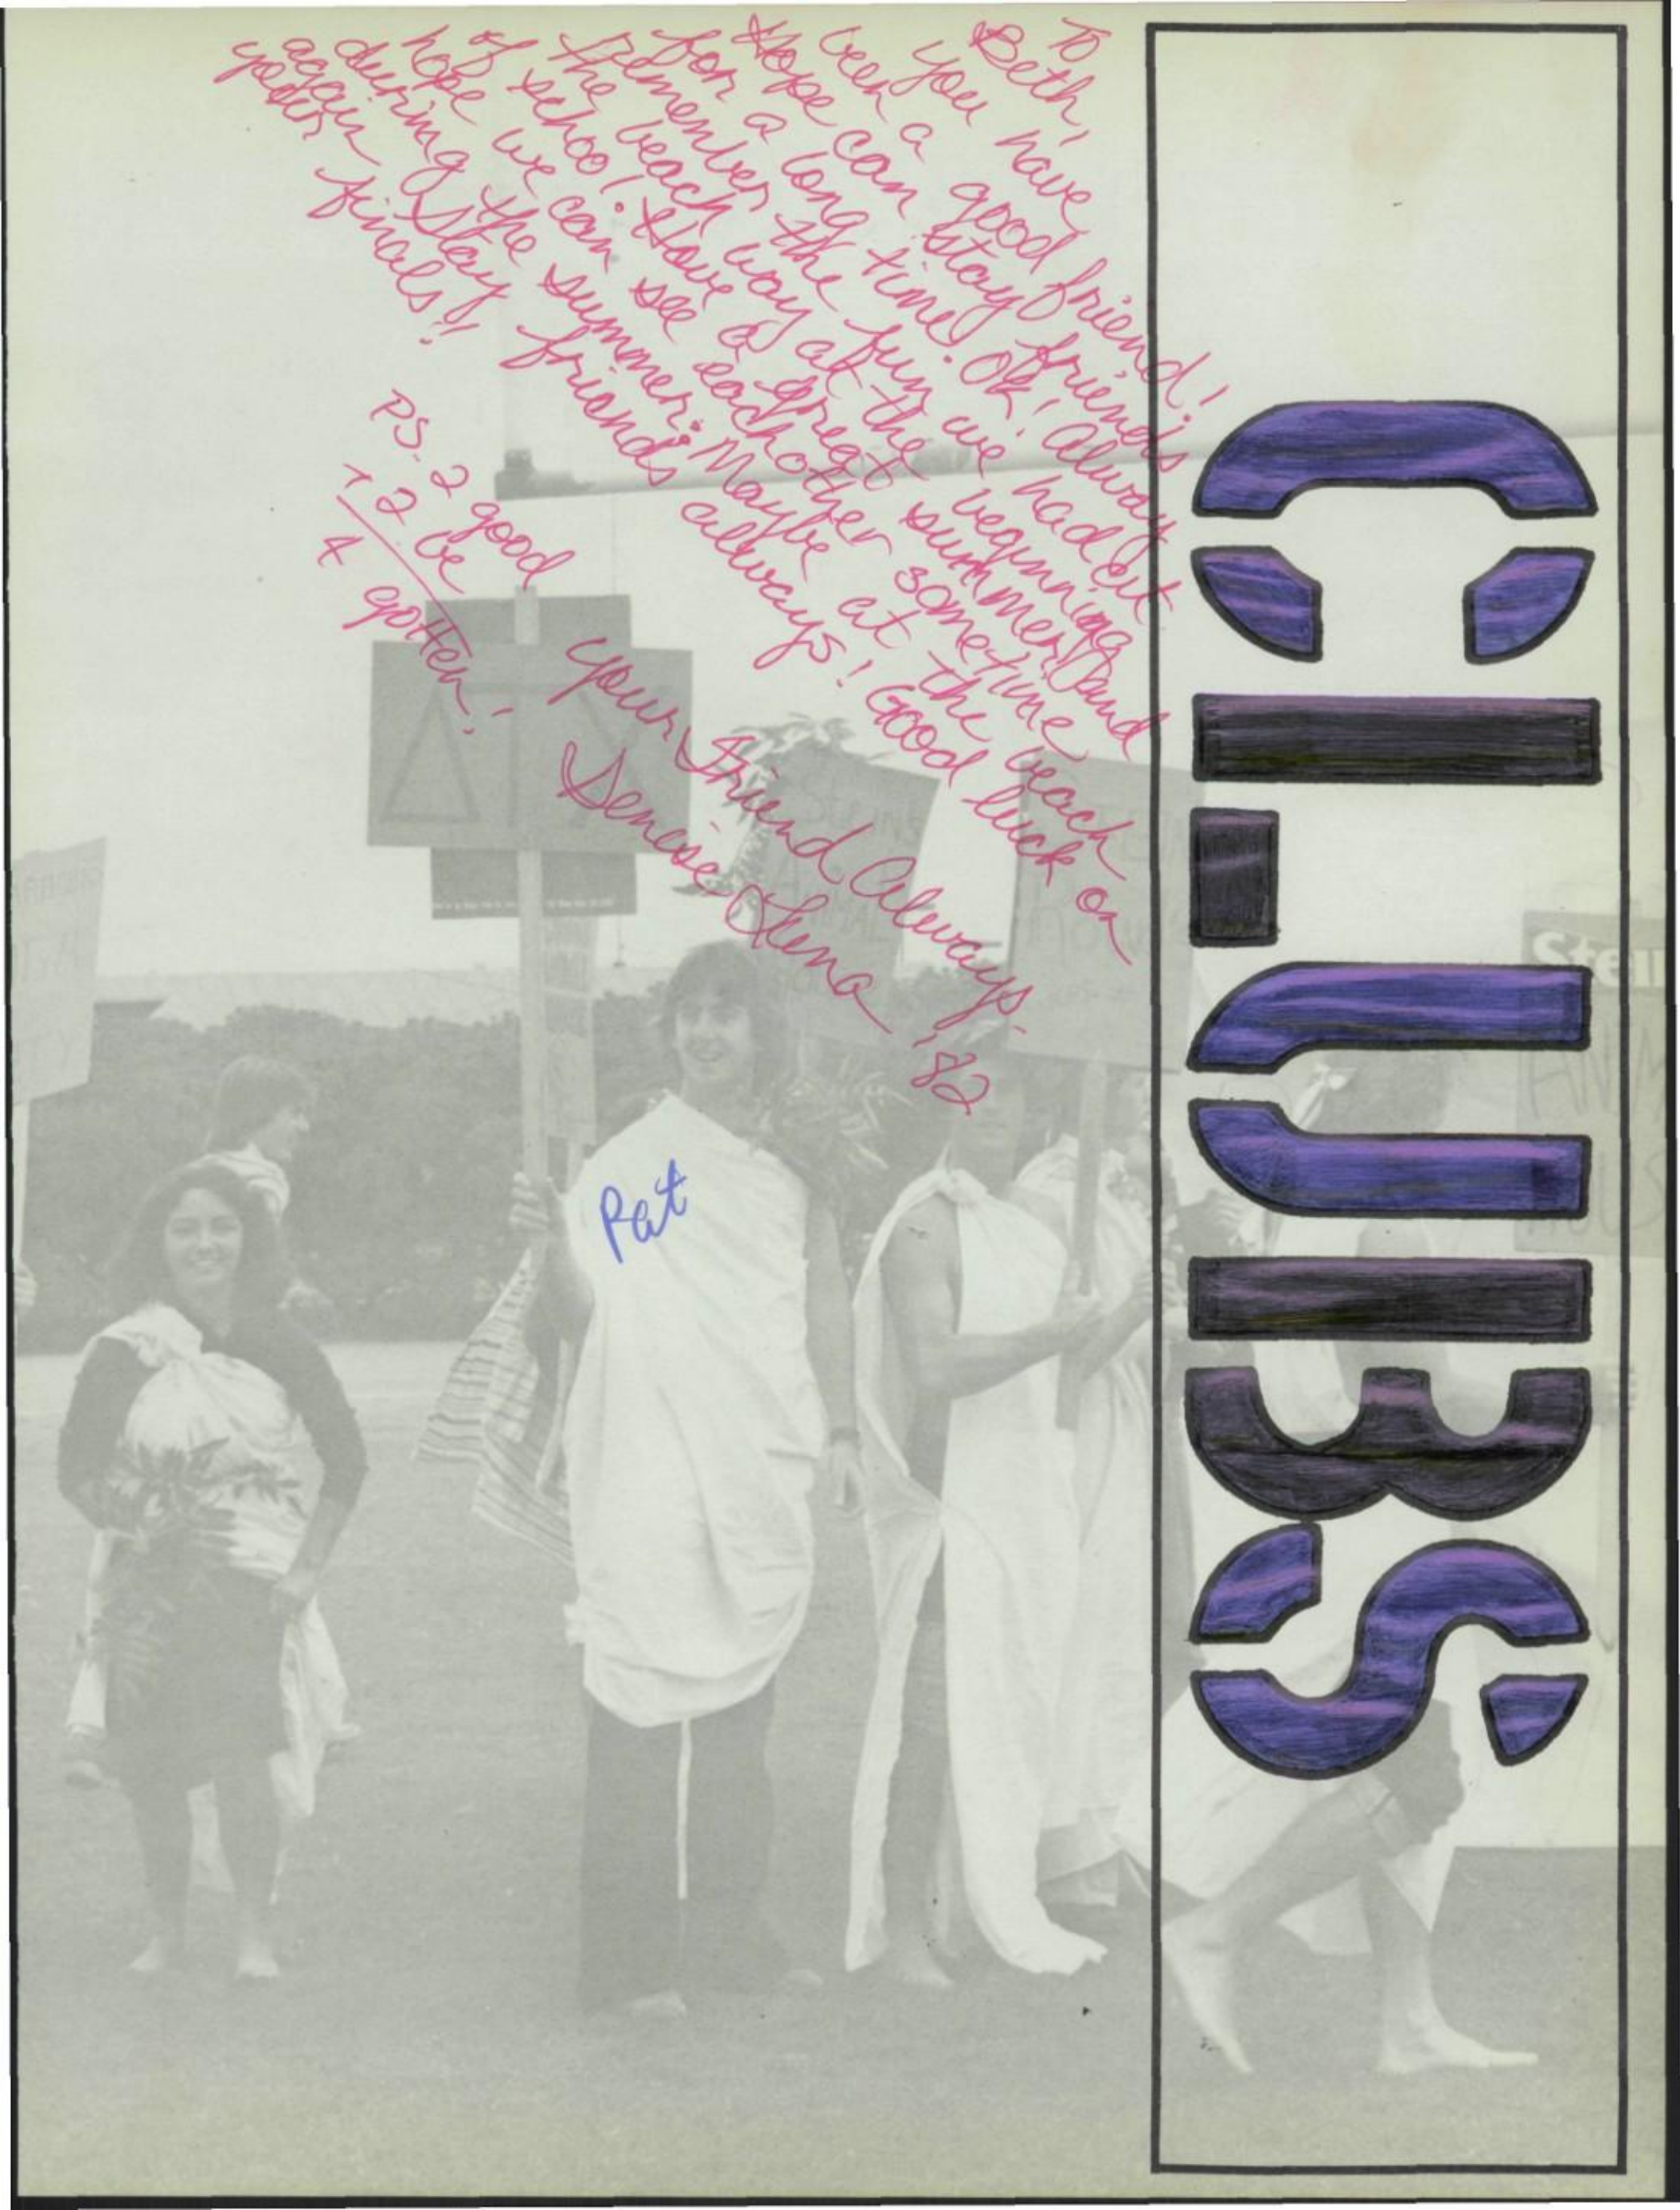
Jim Feeler busy sketcing.

Sr. Viv observes her students.



Vases, mugs, and other useful items made in pottery class.

Sr. Viv helps Lynn Moss with one of her works of art.



To Beth, have a good friend!
You're a good friend. Always stay friends. Ok, always had fun
Hope can stay a long time. Ok, always had fun
For a long time. We had a great beginning summer! And
Remember the beach was a great time at the beach
The beach! Have a great summer! Maybe we can see each other sometime
We can see the summer friends. Maybe at the beach
During the year always! Good luck on
again finals!

THE PAGE STAFF

One of Marian's greatest assets is the school newspaper, the PAGE. This diversified publication gives the full picture of class activities, sports, and drama, with witty and occasionally sober notes throughout. The members of the Page staff are capable Crusaders devoting their free time to writing articles concerning news which would interest the average Crusader.

THE KNOWLEDGE BOWL

These students with their broad individual interests and experiences have been combined by Mrs. Moyer into a powerful academic team.

CULTURAL ARTS CLUB

Cultural Arts Club moderator Mrs. Moyer, works hard to promote culture on campus. The Cultural Arts Club organizes various activities and field trips for its members.

ECOLOGY CLUB

The Ecology Club serves Marian by maintaining pleasant surroundings for the school. They are in charge of the aluminum can drive, and, under the watchful eye of Mrs. Moyer, they strive to keep our grounds clean and beautiful.

Drill Team Captains: Annette Mallari, Annette Nelson, Sandra Camarena, Rosalee Brey, Emily Carreon.

1978 BAND 1979

The band is changing! It's getting bigger and better with new sounds. Members of the band are enthusiastic about the changes and work very hard to provide entertainment for the rest of Marian's students.

Band Officers: Ben Barrios, Oscar Zamora, Dorie Hibanada, Jackie Castanon, Isidro Mendiburu.

This year under the direction of Mrs. Bruce, the MHS Band has blossomed into a good group of musicians. The members of the band should be commended for their long hours of practice. Along with playing at the football and basketball games, the band for the first time accompanied the performers in Marian's production of "Carnival."

G.A.A.

One of the most active clubs on campus is the Girls Athletic Association. With Gina Ringe as their president and Mrs. Day as moderator, the club has organized many activities. Examples of just a few of the activities are the selling of the calendars at the beginning of the year, the skating party, and the Sadie Hawkins Dance.

PEP CLUB

Members of this club are among the most spirited people in school. Pep Club members promote spirit around campus by decorating the lockers, making posters for games and other activities, and supporting the athletic teams. Head of the Pep Club was Chere Haecherl, Commissioner of Pep, Vice Pres. — Monica Balestrieri, Sec. — Diana Fernandez, Treas. — Kate Zelechoski.

These are the elite (academically speaking) of Marian High. People in the National Honor Society must maintain a 3.00 G.P.A. in order to maintain membership each semester. The California Scholarship Federation is a relatively new club at MHS. The membership for this club requires excellent grades in specific course requirements. Both groups are moderated by Mrs. Tollefson.

VARSITY VOLLEYBALL

Back Row: Liz Goodbody, Toni Dunham, Coach Karen Day, Gina Goeller, Susan Compton; Center: Kathleen Williams, Dolores Chin, Meche Lopez; Front Row: Carmen Ortiz, Gina Ringe, Monica Balestrieri, Suzy Brink.

We are very proud of the volleyball team's accomplishment of taking first place in the Metro League. Their overall league record was 17 wins and 1 loss. The Metro League was predicted to be the strongest league in all CIF, and tough games against such powerful teams as Hilltop, Bonita Vista, and Coronado bore this prediction out. The competition was rough, but La Machine, led by Metro's Most Valuable Player, Susan Compton, captain Dolores Chin, and co-captain Kathleen Williams, spiked them all off the court.

Marian went on to take third place in C.I.F. by defeating Hilltop, Santana, and Torrey Pines.

Although this year's girls' tennis team ended with a 0-18 season, it hardly reflects the effort and enthusiasm shown by the girls.

The team is relatively young so we can expect bigger and better things from Coach Bajo's Tennis Tigers next year.

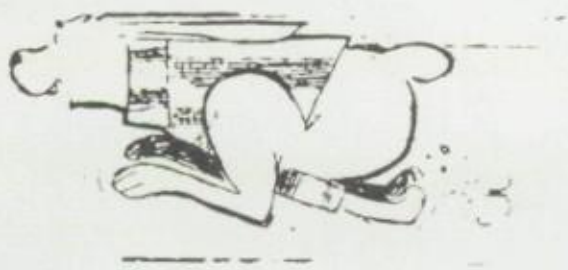
GIRLS' CROSS COUNTRY

The Crusaders await the gun as they begin another 2 mile trip.

Julie Clayton and **Susan Wagner** plow their way to a first and second as they leave Sweetwater and Montgomery in the dust.



The talented but small girls team endured many painful but pleasureable miles of rigorous training which paid off in success. Their biggest win was a second and third place against Metro #1 Southwest. The girls' team, two years young, advanced to the CIF Finals this year. They've only begun to run run run!!!

With the coaches backing them and teaching various techniques, this year's JV should provide the Varsity team next year with a great deal of talent, along with the returning Varsity players.

Special thanks to Mr. Baker, who put up with us and our deadlines, letting us use his darkroom and his camera, and who even developed picures for us. To John at Bowermaster Studio for all his hard work and patience we would like to express our utmost appreciation. And special thanks to Mrs. Wraith who put in hours of her own time so that we wouldn't miss a deadline. We'd also like to thank Mr. Dick Kerr, our publishing representative, for his help.

The Gauntlet Staff would especially like to thank you, the students at Marian High, for making the memories for us to record. It is with great pride and satisfaction that we present the 1978-79 Gauntlet. We hope that you will enjoy it and treasure it for years to come.

Beth,

One year down and only 3 more to go. Remember to study hard but also remember to enjoy these years. They will be the ~~finest~~ fine-est years of your life.

Beth,

To a nice and sweet girl
I'm glad I met you because of all the
years we've known each
other we've never had a fight. It's too
bad I didn't get to see your
much this year but that's
because we don't have many
classes together. It's been fun to
write on a bus, so I'll just
say, "See ya!"

Your friend
Lynda.

TO Beth
well I hope
you marry Jerry
so I can mess around with
his cousin
Love
Danny

BETH,
Well all
I have to say
good Luck with you
know who. I mean
